Hello Alfred,

Sorry for the delayed response - Council has been in a "Recess" - I was out of the office last week and just returned.

Let me reach out and perhaps we can tag-base later this week.

Gerald

Hi Gerald, I am following up to confirm if you had the opportunity to schedule a time to discuss with Ken Bernstein the motion to remove the site from the HPOZ. Per our discussion, we have not had any success connecting with Planning on this matter. I assume they are differing to Ken as per the ordinance.

Thank you.
